

# CERTIFICATE OF WARRANTY

*Limited Lifetime Warranty*

CABINETRY PLUS

*Designing . Crafting . Finishing*

Cabinetry Plus, Inc. will warrant the original consumer purchaser for as long as they own their home that the purchased products will be free from defects in material and workmanship under normal use. This warranty is only applicable to products used in residential applications and is nontransferable to subsequent owners.

Should defects in material or workmanship exist under this warranty in any Cabinetry Plus products, Cabinetry Plus, Inc. will elect at its discretion to either repair or replace the defective material or component, free of charge. Not covered under this warranty are countertops, appliances, plumbing fixtures, etc. or the costs, including labor, to remove and reinstall materials and related components such as fittings, appliances, etc.

This warranty shall be deemed void if cabinets are misused, abused, changed or modified in any way; cabinets that were improperly installed; or acts of God. Also not covered by this warranty is damage or warping as a result of insufficient (under 35%) or excessive (over 65%) humidity in the area in which the cabinets have been installed.

Natural wood products will vary in color, characteristics and exhibit subtle changes as they age. For example, solid colored cabinetry may eventually show visible cracks around joint area on face frames and doors. Other cabinet colors may darken or lighten over time. Sunlight, smoke, household cleaners and other environmental conditions may also affect the color match over time. These variations are considered to be the nature of the material, and therefore will not be covered under this warranty.

Although we will make an attempt to match the finish of replacement parts, Cabinetry Plus cannot guarantee an exact match of the finish and appearance due to the changes that occur during the woods' natural aging process. The natural aging process can affect the woods color and grain making it difficult to match color of previously installed products.

To obtain repair or replacement under this limited warranty, submit, in writing, a description of the defect to Cabinetry Plus. An authorized representative of Cabinetry Plus will arrange for an inspection of the cabinetry. The defective item, if covered, will be repaired or replaced at no charge within forty-five days of the receipt of your written claim.
